State of the art in **Gastroenterology** treatment

Actualizaciones en Gastroenterología, Obesidad, Hepatología y Enfermedad Colorrectal
Updates in Gastroenterology, Obesity, Hepatology and Colorectal Disease

Perú
Zona horaria (GMT-5)

28-29 JULIO
JULY 28-29

Transmisión en inglés y en español

Material para uso exclusivo del profesional de la salud.

Apreciados colegas,

Bienvenidos a **Gastro Summit 2023** sobre Actualizaciones en Gastroenterología, Obesidad, Hepatología y Enfermedad Colorrectal organizado por el Instituto de Enfermedades Digestivas de Cleveland Clinic y patrocinado por Asofarma.

Nuestro congreso ha sido diseñado de manera meticulosa por ambos co-directores y el equipo de la Cleveland Clinic, asimismo contará con la participación de los mejores expertos internacionales de nuestra institución, con el fin de llevarles lo más novedoso en la especialidad de Enfermedades Digestivas en voz de sus profesores. Se estimulará la participación de los inscritos en el congreso de manera muy dinámica y se darán a conocer los últimos avances en el manejo de las enfermedades del aparato digestivo.

Durante el congreso, los asistentes tendrán la oportunidad de aumentar su conocimiento en temas específicos a través de talleres que se llevarán a cabo y que permitirán una interacción más directa con profesores de Cleveland Clinic, quienes compartirán consejos y su experiencia mediante los casos clínicos más relevantes.

El objetivo del curso es generar un ambiente ideal para el intercambio de opiniones y experiencias que permitan beneficiar a nuestros pacientes que padecen de patología digestiva. Finalmente, esperamos que disfruten del paisaje y la belleza de Punta Cana, lugar donde se va a realizar nuestro curso.

Un cordial saludo,

Ricard Corcelles
 MD, FACS, FASMBS

Profesor en Cirugía | Cleveland Clinic
 Lerner College of Medicine of CWRU

Instituto de Enfermedades Digestivas y
 Especialidades Quirúrgicas Cleveland
 Clinic

Roberto Simons-Linares,
 MD MSc

Director of Bariatric and Metabolic
 Endoscopy

Gastroenterology, Hepatology, and
 Nutrition Department

Digestive Disease and Surgery Institute
 Cleveland Clinic

**DR. ALEJANDRO
PITA**

Completed his undergraduate and graduate studies at the University of Miami Miller School of Medicine. He completed his surgical residency at the University Southern California and a research fellowship in abdominal transplantation and hepatopancreaticobiliary surgery in Los Angeles, CA.

He subsequently underwent fellowship training at the ASTS-accredited abdominal transplant and hepatobiliary surgery fellowship at the Cleveland Clinic in Cleveland, Ohio, known internationally as one of the most comprehensive transplant programs in the world and a leader in the field organ transplantation.

BAILEY FLORA, RD

She obtained the bachelor's degree in nutrition and dietetics from the University of Dayton. And then, complete the dietetic internship and master's in nutrition at Marshall University. She started at the Cleveland Clinic working in the bariatric surgery and metabolic institute. Now fully working in the GI Bariatric Endoscopy Clinic with Dr. Roberto Simons-Linares.

**DR. CARLOS
ROMERO-MARRERO**

Director of the Liver Center and a staff physician in the Digestive Disease & Surgical Center at Cleveland Clinic Martin Health. He completed his medical school, residency and gastroenterology fellowship in the University of Puerto Rico, the top medical academic institution of Puerto Rico. He subsequently completed an advanced fellowship in liver transplantation at the Mayo Clinic at Rochester, Minnesota.

**DR. MATTHEW KROH, MD,
FACS, FASMB, FASGE**

The Vice Chair of Innovation and Technology in the Digestive Disease and Surgery Institute at Cleveland Clinic. He is the Section Head of Foregut Surgery and Surgical Endoscopy in the Department of General Surgery, and Professor of Surgery in the Cleveland Clinic Lerner College of Medicine. He most recently served as Chair, Digestive Disease Institute at Cleveland Clinic Abu Dhabi, developing clinical, operational, educational, and research programs in the United Arab Emirates.

**DR. MATTHEW WALSH,
M.D., F.A.C.S.**

Currently Chairman of General Surgery and Vice Chairman of the Digestive Disease and Surgery Institute at the Cleveland Clinic in Cleveland, Ohio. He came to Cleveland originally to train in HPB surgery with Robert Hermann, prior Chair of the Department of General Surgery. He continued in the Department as faculty for the balance of his career, rising to Professor of Surgery at CWRU and awarded the Rich Family Distinguished Chair in Digestive Diseases.

**DR. PRABHLEEN
CHAHAL, MD**

The leading expert in advanced endoscopy and interventional EUS. She is a Program Director of Advanced Endoscopy Fellowship in the Department of Gastroenterology at Cleveland Clinic. She finished her training in internal medicine, gastroenterology and advanced endoscopy at Mayo Clinic, Rochester, MN in 2008. She joined Cleveland Clinic as staff in 2010.

Her special interests include therapeutic pancreatico-biliary endoscopy and innovative interventional procedures including EUS directed transluminal ERCP in altered anatomy, abdominal fluid collection management, endoscopic management of necrotizing pancreatitis, EUS guided gall bladder drainage and therapeutic ERCP.

**DR. RICARD
CORCELLES, MD**

Internationally recognized expert in weight-loss surgery, minimally invasive surgery and new technologies and approaches for surgery. He performs a variety of weight-loss procedures including gastric sleeve, gastric bypass, duodenal switch, single anastomosis duodeno-ileal bypass with sleeve gastrectomy (SADI-S), and revisional weight-loss surgeries.

Before joining the Department of Surgery at Cleveland Clinic Main Campus in 2021, Dr. Corcelles was a consultant physician in Metabolic and Bariatric Surgery at Cleveland Clinic Abu Dhabi, UAE. He was also the Director of the Surgical Simulation Center at Cleveland Clinic Abu Dhabi.

**DR. ROBERTO
SIMONS-LINARES, MD**

Did his Gastroenterology, Hepatology and Nutrition fellowship, followed by an Advanced Endoscopy Fellowship at the Cleveland Clinic Main Campus. He also did his Advanced Bariatric Endoscopy Fellowship at the Brigham and Women's Hospital, Harvard Medical School. He joined as faculty in the Digestive Diseases and Surgery Institute, Gastroenterology Department at the Cleveland Clinic where he specializes in Advanced Endoscopy and Bariatric Endoscopy.

**DR. SAMITA GARG,
MD**

Staff Gastroenterologist, Lead Women's GI Health, motility & pelvic floor. Digestive Disease & Surgery Institute (DDSI). Cleveland Clinic Foundation, Cleveland Ohio. Residency: University of Colorado, Denver, Colorado. Fellowship: University Hospitals, Cleveland, Ohio. Motility training: University of Michigan, Ann Arbor, Michigan. Special Interests: Irritable Bowel Syndrome, Pelvic Floor Disorders, Gastroparesis.

DR. TAHA QAZI, MD

Gastroenterologist, specializing in Inflammatory Bowel Disease and Pouch Disorders at the Cleveland Clinic in Ohio. He serves as the Program Director of the Advanced IBD Fellowship program and is the Medical Lead of the Ileal Pouch Center at the Cleveland Clinic.

He received his medical degree from Indiana University School of Medicine and completed his medical residency at the Boston University/Boston Medical Center Internal Medical Residency Program, where he served as a chief medical resident. Dr. Qazi went on to complete a fellowship in gastroenterology, hepatology and endoscopy at Brigham Women's Hospital, an affiliate of Harvard Medical School.

**DR. W. SCOTT BUTSCH,
 MD MSC**

Gastroenterology, Programs in Rochester, Mayo School of Graduate Medical Education, Mayo Clinic College of Medicine, Rochester, Minnesota - Fellow.

Mayo Medical School & Mayo School of Health Sciences, Rochester, Minnesota - Certificate, Clinical and Translational Research. RST GASTROENTEROLOGY AND HEPAT, Programs in Rochester, Mayo School of Graduate Medical Education, Mayo Clinic College of Medicine, Rochester, Minnesota - SubSpec Fellow.

PROGRAMA / PROGRAM

VIERNES 28 JULIO / FRIDAY JULY 28

1RA. SESIÓN / 1ST SESSION
ESÓFAGO, ESTÓMAGO Y MOTILIDAD
ESOPHAGUS, STOMACH AND MOTILITY

9:30 - 10:45 (1:15 h)
 Moderador / Moderator:
 Ricard Corcelles

7:30 - 7:50	(20 min)	¿Qué hay de nuevo en ERGE y esófago de Barret? What's new in GERD and Barrett's esophagus?	Yi Qin, MD
7:50 - 8:10	(20 min)	Lo que todo gastroenterólogo debe saber sobre el manejo quirúrgico de los trastornos de motilidad esofágica y gástrica What every gastroenterologist should know about the surgical management of esophageal and gastric motility disorders	Matthew Kroh, MD
8:10 - 8:30	(20 min)	Lo que todo gastroenterólogo debe saber sobre el manejo médico de los trastornos de motilidad esofágica y gástrica What every gastroenterologist should know about the medical management of esophageal and gastric motility disorders	Yi Qin, MD
8:30 - 8:55	(25 min)	Preguntas y respuestas Questions and answers	Panel de discusión Discussion panel
08:55 - 9:20	(25 min)	DESCANSO	

2DA. SESIÓN / 2ND SESSION
COLON, ENFERMEDAD INFLAMATORIA INTESTINAL
COLON, INFLAMMATORY BOWEL DISEASE
Moderador / Moderator:
Samita Garg

9:20 - 9:40	(20 min)	Lo nuevo en enfermedad inflamatoria intestinal (EII) What's new in IBD	Taha Qazi, MD
9:40 - 10:00	(20 min)	Actualizaciones en el diagnóstico y patofisiología del síndrome del intestino irritable Updates for diagnosis and pathophysiology of irritable bowel syndrome	Samita Garg, MD
10:00 - 10:20	(20 min)	Actualización de la guía del ACG sobre el diagnóstico y manejo de la enfermedad celiaca American College of Gastroenterology Guidelines Update: Diagnosis and Management of Celiac Disease	Taha Qazi, MD
10:20 - 10:40	(20 min)	Actualizaciones en nutrición enteral y parenteral para el paciente GI y EII Updates in enteral and parenteral nutrition for the GI and IBD patient	Bailey Flora, MS, RDN, LD
10:40 - 11:00	(20 min)	Preguntas y respuestas Questions and answers	Panel de discusión Discussion panel
11:00 - 12:30	(1:30 h)	Almuerzo / Lunch (Box lunch restaurant)	
13:30 - 14:30	(1:00 h)	TALLERES / WORKSHOPS	<i>(Salón Bávaro VI)</i>

Faculty: *Drs. Yin Qin, Matthew Kroh, Bailey Flora, Taha Qazi, and Samita Garg*
CASOS CLÍNICOS / CLINICAL CASES:

Acalasia / Achalasia

Pólipos del colon / Colon polyps

 Úlcera péptica / *H. pylori* /
 Peptic ulcer / *H. pylori*

 Enfermedad inflamatoria intestinal /
 Inflammatory bowel disease

SÁBADO 29 JULIO / SATURDAY JULY 29 (Salón Bávaro VI)

3RA. SESIÓN / 3RD SESSION
OBESIDAD Y NUTRICIÓN
OBESITY AND NUTRITION
Moderador / Moderator:
Roberto Simons-Linares

7:00 - 7:20	(20 min)	¿Cuáles son las opciones quirúrgicas para tratar la obesidad severa? What are the surgical options to treat severe obesity?	Ricard Corcelles, MD
7:20 - 7:40	(20 min)	Lo nuevo en tratamiento farmacológico de la obesidad What's new on Pharmacological Treatments for Obesity	W. Scott Butsch, MD
7:40 - 8:00	(20 min)	Avances en endoscopia bariátrica y metabólica Advancements in endoscopic bariatric & metabolic therapy (EBMT)	Roberto Simons-Linares, MD
8:00 - 8:20	(20 min)	Lo que todo gastroenterólogo necesita saber acerca de nutrición en el paciente con cirugía y endoscopia bariátrica What every gastroenterologist needs to know about nutrition of bariatric surgery and bariatric endoscopy patients?	Bailey Flora, MS, RDN, LD
